NTSB MOST WANTED LIST ROUNDTABLE

NTSB National
Transportation
Safety Board

ALASKA PART 135 FLIGHT OPERATIONS *CHARTING A SAFER COURSE*

FRIDAY, SEPTEMBER 6, 2019
0830-1600 ALASKA TIME
UNIVERSITY OF ALASKA ANCHORAGE
WENDY WILLIAMSON AUDITORIUM

Robert Sumwalt
NTSB Chairman

Dana Schulze
NTSB Director of
Aviation Safety

Kerry Long
FAA Alaskan Regional
Administrator

In our investigations, the NTSB continues to see far too many preventable accidents involving Part 135 flight operations* in Alaska. We believe that **improved training, risk management strategies, use of available technologies and infrastructure improvements** can make a difference in reducing the number of accidents.

“**Improve the Safety of Part 135 Flight Operations**” is an issue on the NTSB 2019–2020 Most Wanted List of transportation safety improvements, and that is why we are convening a panel of **Part 135 operators, safety experts, and government officials** to discuss strategies to address aviation safety issues in Alaska.

**COMMUTER OR ON-DEMAND OPERATIONS, INCLUDING AIR AMBULANCE FLIGHTS*

PARTICIPATING ORGANIZATIONS

- Air Methods
- Alaska Air Carriers Association
- Alaska Airlines
- Alaskan Aviation Safety Foundation
- Aircraft Owners and Pilots Association
- Federal Aviation Administration
- General Aviation Manufacturers Association
- Garmin International
- GHS Aviation Group
- Grant Aviation
- Mitre Corporation
- National Air Traffic Controllers Association
- National Oceanic and Atmospheric Administration
- National Transportation Safety Board
- Ravn Alaska
- Tanana Chiefs Conference
- Temco Helicopters
- Tour Operators Program of Safety
- U.S. Postal Service
- University of Alaska
- Warbelow's Air
- Wings Airways

AGENDA > Times are in AKDT

- 0830-0840 **Welcome / Introduction**
Robert Sumwalt and Kerry Long
- 0840-0900 **Alaska Accident Statistics and Areas of Concern**
Dana Schulze
- 0900-1000 > **Panel 1: Training Solutions**
- 1000-1015 **Break**
- 1015-1115 > **Panel 2: Risk Management Solutions**
- 1115-1130 **Audience Q&A**
- 1130-1300 **Lunch**
- 1300-1400 > **Panel 3: Technology Solutions**
- 1400-1415 **Break**
- 1415-1515 > **Panel 4: Infrastructure Solutions**
- 1515-1530 **Audience Q&A**
- 1530-1600 **Final Thoughts**

Panels will focus on reducing controlled flight into terrain, loss of control, and mid-air collision hazards.

THIS EVENT WILL BE WEBCAST LIVE

FOR MORE INFORMATION, CONTACT > SafetyAdvocacy@nts.gov

The NTSB is an independent federal agency charged by Congress with investigating every civil aviation accident in the United States and significant accidents in other modes of transportation—highway, marine, railroad, and pipeline. The NTSB determines the probable cause of the accidents and issues safety recommendations aimed at preventing future accidents. For more information, visit www.nts.gov.

Please attend or watch our live webcast
– be proactive about improving safety!
